Subject: Declaration of Originality - Team IceCubes, SAMVED 2026

Respected Sir/Madam,

We, Team IceCubes from Thiagarajar College of Engineering, Madurai, hereby declare that the prototype and video submitted for the problem statement - Smart Water Pressure Management for Equitable Water Supply in Solapur Municipal Corporation - is entirely the original outcome of our team's efforts.

The idea, solution architecture, system design, and prototype developed by us are not copied from any external source and have not been generated using any Artificial Intelligence tools. Every concept, approach, and implementation presented in this submission reflects our own research, understanding, and creative thinking as a team.

We take full responsibility for the authenticity and originality of our work.

Thanking you.
